

Division of Aging and Adult Services Administrative Letter No. 05-08
Adult Services Section

Date: **September 1, 2005**

Subject: **Special Assistance Rate Change for Residents of Adult Care Home Special Care Units**

Distribution: **County Directors**
Special Assistance Supervisors

Effective Date: **October 1, 2005**

Session Law 2005-276 was ratified on August 13, 2005. The law contains a provision to create a new maximum facility rate for State/County Special Assistance for Adults recipients residing in Adult Care Home Special Care Units for Alzheimer's and Related Disorders. The new maximum rate for Special Assistance recipients living in a Special Care Unit, effective October 1, 2005, is \$1,515.00.

Adult Care Home Special Care Units (SCU's) for Alzheimer's and Related Disorders are required to comply with administrative code requirements contained in 10A NCAC 13F.1300. The facility's license must indicate that a separate self-contained SCU is provided for residents with a diagnosis of Alzheimer's and related disorders. Also, per 10A NCAC 13F.1306 the resident's FL-2 must show a diagnosis of Alzheimer's or a related disorder.

II. Identifying Potential Eligibles for the SA/ACH Special Care Unit Rate

A new ambulation capacity code 'C' has been created in EIS that will be keyed by caseworkers to identify SA recipients who reside in Special Care Units and are eligible for the increased rate.

There is the potential for SA/ACH recipients currently classified as Ambulation Capacity code "B", "A", "S" or "D" to now be changed to ambulation capacity code 'C'. This is because the new SCU rate and maintenance allowance is higher than the rate for all other Ambulation Capacity codes, and the resident may already be placed in an SCU bed.

The FL-2 must show a diagnosis of Alzheimer's or a related disorder and the SA recipient must be in a Special Care Unit bed. Related disorders are defined in 10A NCAC 13F .1301 as meaning dementing or memory impairing conditions characterized by irreversible memory dysfunction, and include the following: Dementia, Multi-infarct dementia (MID), Parkinson's Disease (PD), Huntington's Disease (HD), Creutzfeldt-Jakob Disease (CJD), Pick's Disease, and Lewy Body

Dementia (LBD). Dementia patients may also be labeled as having presenile or "senile" dementia, chronic or organic brain syndrome (OBS), arterio-sclerosis, or cerebral atrophy. Other diagnoses may also indicate irreversible dementia, such as Wernicke-Korsakoff Syndrome (WKS) and Frontotemporal Dementia (FTD). If there is question about a diagnosis on the recipient's FL-2, contact the physician who signed the form to determine if the diagnosis is considered an irreversible "dementing or memory impairing condition." For your convenience and future reference, the listing of related disorders is found on **Attachment 1** of this letter.

Currently there is no identifier in EIS to show which recipients are residents of Adult Care Home Special Care Units, and therefore potentially eligible for the new 'C' rate. This means updates to eligible cases cannot be automated by EIS. Each county DSS will need to identify SA recipients entitled to the new rate, and update these cases manually in EIS.

To assist counties in the identification of SA recipients potentially eligible for the new rate the Division of Aging and Adult Services has obtained a report listing the Adult Care Homes with Division of Facility Services approved SCUs. See **Attachment 2**. Eighty-six adult care homes have SCU beds. **Attachment 3** displays information regarding the number of SA recipients in an adult care home with SCU beds as of September 2005, including the county from which the SA payment originates. Fifty-eight of the 86 adult care homes with SCU beds show SA recipients as of September 2005.

In the future, the EIS Facility Table will be modified to identify adult care homes with Special Care Units for Alzheimer's and Related Disorders. County DSSs will be notified when this modification is in place.

Each county DSS will need to review the SA case files for SA/ACH recipients living in these facilities.

- Check the diagnosis on the FL-2.
- If the diagnosis on the FL-2 includes Alzheimer's or a related disorder, the recipient is potentially eligible for the new 'C' SA rate increase.
- Obtain from the facility a copy of the documentation that the resident's family received the signed disclosure statement that is required by 10A NCAC 13F .1306 (3), and a copy of the pre-admission screening document required by 10A NCAC 13F .1306 (2). These documents will provide the caseworker with the date the resident was admitted to the SCU.
- Visit the facility to verify the SCU admission or request the assistance of the county DSS Adult Home Specialist or Adult Care Home Case Manager in the county where the facility is located.

A. Maximum Rate for Ambulation Capacity ‘C’

The maximum rate for Special Assistance recipients with Ambulation Capacity Code ‘C’ is \$1,515.00.

There is no change in the personal needs allowance, which is \$46 for all Special Assistance recipients, including the disenfranchised groups.

The maintenance amount for those with Ambulation Capacity Code ‘C’ is \$1,561.00 (\$1,515.00 + \$46.00).

B. Disenfranchised Groups, Ambulation Capacity Code ‘A’, ‘S’.

There is no change in the 1995 disenfranchised group, Ambulation Capacity Codes “A” and ‘S’. The domiciliary rate for this group is \$1,231 and the maintenance amount is \$1,277.

However, due to the increase in the maintenance amount for eligible SA recipients residing in Special Care Units, any case in the ‘A’ and ‘S’ disenfranchised groups residing in SCU will need to be changed to the new SA, ambulation capacity ‘C’.

C. Disenfranchised Groups, Ambulation Capacity Code “D”

Disenfranchised recipients with Ambulation Capacity Code “D” are those individuals who met the following requirements:

1. The application was taken prior to October 1, 2003, and
2. The recipient resided in an adult care home and was eligible for SA on September 30, 2003, and
3. The recipient’s countable income is less than \$1,136.50.

Disenfranchised group ‘D’ recipients may be eligible to be changed to the new SCU ambulation capacity code ‘C’, and receive the new SCU rate.

Follow the steps in II. C. above to determine if these recipients qualify for the Special Care Unit rate.

Note: Disenfranchised group ‘D’ recipients who are not eligible for the new SCU rate should be evaluated for the new Basic SA/ACH rate that is effective October 1, 2005 (ambulation capacity code ‘B’). See DAAS Administrative Letter 05 - 09 for instructions.

III. Update for Ongoing Active Case Records with Ambulation Capacity Code "B", 'S', or 'A'.

Beginning August 27, 2005 counties must begin updating eligible active SAA and SAD cases of SCU residents to reflect the new ambulation capacity 'C' rate and the new maintenance allowances effective October 1, 2005. Send a DSS-8110 Adequate Notice to each recipient explaining the increase.

Calculate a new budget using the new special care unit rate of \$1,515.00

- Update the Domiciliary Rate in EIS to \$1,515.00.
- Update the Maintenance Amount in EIS to \$1,561.00.

The Payment Effective Date for the new rate must be October 1, 2005.

IV. Applications

A. Application Pending on October 1, 2005- Effective Date Prior to October 1

For applications pending on October 1, 2005 with an effective date prior to October 1, approve the application with a Payment Effective Date of October 1, 2005. Authorize months prior to October 2005 in the Retro 1 and 2 fields. The SA payment amounts for months prior to October 2005 would need to conform to the SA rates applicable to the recipient's Ambulation Capacity code at that time.

If Total Countable Monthly Income (TCMI) is \$1,560.50 or less, approve the case as Ambulation Capacity Code 'C' with a Maintenance Amount of \$1,561 and a Domiciliary Rate of \$1,515.

B. Application Pending on October 1, 2005- Effective Date of October 1 or Later

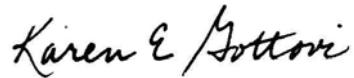

For applications pending on October 1, 2005 with an effective date of October 1 or later, approve the case as Ambulation Capacity Code 'C' only if income is \$1,560.50 or less. Do not approve applications with income greater than \$1,560.50.

C. Applications Taken On or After October 1, 2005

Use the new Maintenance Amount and Domiciliary Rate for all applications taken on or after October 1, 2005 for SA/ACH a/r's who meet the new SCU requirements and reside in an authorized SCU bed.

If you have any questions regarding this information, please contact your Adult Programs Representative or either Brenda Porter, Special Assistance Program Coordinator, or Geoff Santoliquido, Special Assistance Program Administrator, at 919-733-3818.

Sincerely,

Karen E. Gottovi
Director
